Ordinance 14033, effective February 20, 2001, allows anyone to formally apply to King County for a written code interpretation of development regulations. Interpretations may cover development restrictions for a specific development proposal, specific parcels or general interpretations of adopted development codes (including King County Code Titles 14, 16, 19, 20, 21A and 23). Requests involving codes not administered by DDES will be forwarded to the appropriate department for response.

To apply, complete this form, including a description of your request, and submit it to the DDES Permit Center at the address above, along with your fee payment (fee is determined by Title 2 of the [King County Code](#); the fee as of January 1, 2004 is \$250.00). Per Ordinance 14033, DDES will render a decision or ruling within 60 days. All responses will be posted on the King County DDES Web site at <http://www.metrokc.gov/ddes/>. Decisions and interpretations are final, but may be appealed in writing within 14 days of the determination pursuant to K.C.C 20.20.
